though it was the second to last maryland county to be formed wicomico county has a long rich history celebrated through annual festivals heritage tourism and many local museums and preservation organizations images of america wicomico county is yet another way for residents to commemorate this area whose name sprung from native american words meaning a place where houses are built heavily influenced by local waterways including the wicomico and nanticoke rivers and the tangier sound the heritage of this delmarva region is preserved in the county seat salisbury and other unincorporated municipalities including fruitland hebron and whitehaven and the numerous structures listed on the national register of historic places wicomico county has grown over the last 20 years from about 60 000 people to about 100 000 people and continues to prosper

by the american revolution the farmers and city dwellers of british america had achieved individually and collectively considerable prosperity the nature and extent of that success are still unfolding in this first comprehensive assessment of where research on prerevolutionary economy stands what it seeks to achieve and how it might best proceed the authors discuss those areas in which traditional work remains to be done and address new possibilities for a new economic history

includes the proceedings of the society

a hundred years ain t such a very long time on the eastern shore local farmers and watermen used to say and that is a telling refrain past and present mix easily on the shore and in this respect as well as in certain local customs and habits of language the region is very much still an old fashioned english society until fairly recently the peninsula was one of the most geographically isolated regions on the atlantic coast in this isolated society the most important factors have been agriculture seafaring and race a blend of soil sea and soul in his attempt to convey the special character of the region before accelerating change affects its transformation john wennersten has used these themes as a framework for an absorbing narrative his insights into how these elements affected the development of the area and its current character take the story of the eastern shore beyond mere facts and into the realm of socio cultural history this is a fascinating overview of an unusual and perhaps vanishing lifestyle

a world list of books in the english language

includes history of bills and resolutions
